COMPANY PROFILE

Total Office Solutions-GSA (TOS-GSA) is a woman owned (WO) small business (SB) with a team of experienced individuals dedicated to creating highly efficient, resourceful and motivating workplaces for businesses. Our clients are looking to us for more than providing products; they are looking for a complete business solution.

At **TOS-GSA**, we research the latest information on work place trends, continually monitor all available resources and provide the most innovative products and services in the industry. We then complete the package with unsurpassed expertise and customer service.

You can benefit from **TOS-GSA's** capability to provide support for your new offices, including product sales, installation, project management, space planning and design, move management, reconfiguration, electrostatic painting, refurbishment, and panel and upholstery cleaning.
